The Chrysler, VKN6572 VA, was travelling Westbound on the Suitland Parkway, West of the Ramp from Branch Avenue. The Chrysler crossed over the raised, curb, center median and struck the Nissan head on, causing extensive damage to the front end and passenger side of both vehicles. The collision caused the Nissan to spin 180 degrees and come to rest in the right lane and the Chrysler to leave the roadway, South of the Parkway, and come to rest on the grass shoulder.

Smith was pronounced by Lt. Lochwood, P.G. Fire Department, on scene and remained in place.
